Small communities like ours have unique benefits but they also have some difficulties. As our young people progress through school to new experiences in higher learning, it’s important to broaden their social experiences. Our young people will be able to be involved in some upcoming events that will support their social development.

Next week our stage 3 students will be joining others from Broke and Milbrodale Public Schools to travel to Muswellbrook and participate in the Coal & Allied Annual Science Discovery Challenge. They will be working with students from other schools to unravel the mysteries of physics, working in groups to achieve a result. We wish our young people well as they practise their skills in teamwork, cooperation as well as science.

An event that has been planned for August 29th and 30th will centre on our school environment and has been developed for young people 12 years and older. A Make a Movie Weekend Workshop, organised by Singleton Youth Venue and the Country Arts Support Program, will see our buildings and grounds used as the backdrop for some inspired short films. Please support this venture; it’s an opportunity for our young people to enjoy a unique learning experience in their own backyard.

Semester 1 Progress Reports will be sent home tomorrow, Friday. Please study them and make an appointment for an interview if you haven’t already done so. Miss Ross and I will be meeting with families in Weeks 9 and 10. We look forward to sharing the achievements of your children.

Regina
It’s hard work, being in Kinder!

It’s important that students learning new concepts are able to experience it in diverse ways. Some students need only to see it, some need to hear it, while others need to manipulate the activity. This is called wholistic learning, and a perfect way to teach early learners.

Message from the Hall Committee

We have some lost property at the hall. There is a blue Bulldogs hoodie which may well belong to one of your children, a ladies fur jacket, a red RIO Tinto cap and two pairs of thongs which were left behind after the Variety Bash lunch. They have been down at the hall for a while but we were reluctant to discard them without trying to find their owners. The hoodie looks quite new and the jacket is in poor condition, but looks like it has been well loved. The items could be collected from the hall while Karate is on or on Saturday morning, when the hall is open for a mine visit.

Bus Travel to the Small Schools Athletics' Carnival

Next Wednesday 17th June

For those students who have nominated to travel by bus to Singleton for the Small Schools Sports Carnival, the bus will be leaving the school at 8.30am sharp. Please be at school by 8.20am so we don’t run late.

We may not be back at school by 3.00pm for normal bus drop of however we will drop the students at home when we arrive back to Jerrys Plains.
