Wednesday, October 28th.

K-2 ‘FIGHTER WORLD’ EXCURSION:
Friday, November 20th

PRESENTATION NIGHT:
Tuesday, December 8th.

A vital part of planning our School direction is the conversations I have with families. We—students and their families, staff, and the wider community—have a huge stake in where Jerrys Plains Public School is headed. It was gratifying to have all stakeholders contribute to the evaluation of our School Plan and some of the feedback has been very useful. This information will be reflected in the surveys that will go home at the beginning of next term. The Department of Education is forging ahead with ground-breaking reforms, in line with extensive research and analysis. All of the new guidelines, procedures and policies will impact on schools, so it’s important to have a strong family presence in all aspects of our operation. Thank you to those people who contributed last Friday and I look forward to a similarly vocal response to next term’s surveys.

Next term is shaping up to be as busy as the rest of the year. Please be sure you read the Newsletter thoroughly and respond to the notes and requests that go home. Those of you who downloaded the skoolbag app will be updated as often as we can. If you have any enquiries please call the office, or pop into the school and talk with me.

Looking forward to seeing you at Art Attack! tomorrow and sharing a hamburger lunch. Enjoy your holidays and we’ll do it all again next term!

Regina

CWA Country of Study...

Students in Years 2-6 created posters promoting Italy as part of the CWA International Country of Study celebration. Pictured with Theresse Bremner-McDonald are Ella, Aylah and Lilly-Jane, who worked with Anna, Gracie and Lily (who were absent) to produce posters that will go on to regional level for judgement.

Students were happy to join with CWA members for morning tea. There was much discussion around how the posters were created and the information they contained. Thank you to the ladies who prepared goodies for us to share...

DUE TO WET WEATHER

FIREWORKS ARE CANCELLED
The makeover is complete... The Picasso cow is now officially “made over”, and her name is Bella, determined by popular vote. The process has been recorded for entry into a competition sponsored by Dairy NSW.

Jerrys Plains Community Fair & Car Boot Sale
Saturday September 26th 2015
The Jerry Plains Public School P & C will be running a stall in the upcoming Fair to be held at the Recreation Grounds. So we are again asking our Jerrys Plains School Families for some help. Some of the things our stall would like to provide on the day would be:
Homemade Chocolates, Cakes, Slices, lolly bags, scones, Toffee’s, Rocky road, Cupcakes, Marshmallow & Strawberry Choc Sticks, Plants, Books, DVD’s.
If you can help provide any of these things or more. Please call or text the details to Natalie Young 0402806701.
Please remember that all cakes & slices need to be clearly labelled: Type & Ingredients.
All profits go towards the Jerrys Plains Public School & your help is always appreciate. If you would also like to help out on the day with the running of the stall we would love to have you there.
THANKS AGAIN FROM THE JERRYS PLAINS PUBLIC SCHOOL P&C.

FOR MORE INFORMATION OR TO BOOK A STALL CONTACT
NARELLE ON 6579449 OR
MILBRODALE PUBLIC SCHOOL ON 65745163

Fundraising event organised by Milbrodale Public School Parents & Citizens Association
IMPORTANT INFORMATION FOR AFTERNOON PICK UP.
It is very important to let the school know if a change has been made to how your child is collected at home time by either a note in the morning or a call to the school during the day. We understand that things happen but unless we are told by the parent/caregiver the child will be sent home how they would normally travel.
If you are not there for pickup at the bus stop the child will be brought back to school and we will try and contact you.

K/1 Corner
Well, wrapping up another Term! We have finalised all of our end of Term assessments and have finished our HSIE/History unit on Flight all ready for our big excursion next Term! We have also finished our Science unit of work on Weather with many of our students taking a particular interest in extreme weather conditions, particularly tornadoes. We have had many interesting class discussions on the topic this Term. Next Term we will be beginning our intensive swimming and swimming for sport programs and I encourage all of our students to participate as swimming is one of the most essential skills a child can have. Have a safe and enjoyable holiday!

We are looking for volunteers for Friday Cake Raffle as well as the P&C Canteen for Term 4. Proceeds from the Cake Raffle will provide a celebration to mark the end of primary schooling for our Year 6 students. Unless we can be sure of volunteers for the Canteen it may not be offered.

Friday Cake Raffle...
50 cents a ticket to support Student Representative Council.

SCHOOL HOLIDAYS HEALTH CHECK
School holidays are a great time to do a quick health check of your children. These could include treating for worms (threadworms can cause irritability and behaviour change in children), and checking for head lice.

The school holidays commence at 3.00pm this Friday, 18th September. We wish everyone a safe and happy holiday and look forward to seeing you all back at school on Tuesday, 6th October.

Ready4School students made beautiful dyed macaroni necklaces this week. This season's "must-have" accessory!
Did you know;

Cows intestines can be as long as 50 meters.

Sponsored by the Gee Partnership. Local family proudly producing quality milk.
